

## CONGRATULATIONS Norcross Garden Club!

The “2019 Dogwood District Garden Club of the Year” was announced October 5, 2020 via Zoom at the annual fall district meeting. This district award was presented to the club with the greatest number of points on the Annual President’s Report. Our club’s name will be added to the traveling trophy. Way to go team!

## “Feel Empowered to Prune”

Many of us gardeners are uneasy about pruning because once we’ve made the cut, it’s GONE! If you’re unsure about when/how to prune plants or shrubs, come join us at **10:15 am this Monday, October 12**, in the cottage garden. Barbara Dorfman, Georgia Native Plant Society, will help us cut more confidently. She’ll suggest tools to make the job easy, explain how trees and shrubs will respond to various cuts, and offer tips on how to renew overgrown or butchered shrubs. Maybe you have a gardener who does this work for you. Come be educated and know how pruning is done correctly. Tuck a \$1 in your pocket for our raffle & **RSVP today:** Jenny Allen, text, call or email 770 881-2134, JennyJordanAllen@gmail.com

Thank you to all our members who keep the cottage garden “**picture perfect**”. The garden is looking lovely. **Above:** A photo is being made for a local high school senior. And just yesterday we were asked if the cottage garden could be used for wedding photos on October 17th.

## LIONHEART THEATRE FUNDRAISER

Lionheart Theatre will occupy the cottage this Thursday October 8 thru Sunday, October 11 for a Family Fun Halloween Tour titled, “PLAYING IN THE DARK.” The cottage will host the “Make-Up Horrors Workshop!” *Paint your own scary face while a professional make-up artist demonstrates with items found at the Dollar Store.* The Board decided to allow Lionheart to use the cottage without a fee. Supporting the local arts feels so good! Let’s continue to build community.
